**Funding Limitations:**

Our budget is maxed out at this time

**Projected Enrollment Growth:**

No growth of enrollment is projected. Our student population is declining.

**Detailed School Level Plan to Reduce Student-to-Teacher Ratios (Including Timeframes):**

We are close to meeting the CSR requirements. It would not be fiscally responsible to hire additional staff.

### Quarterly Expense Reporting

The format below mimics the format and information found in the annual 387.303 reports. The intent is to simplify data, remain consistent in reporting formats, and to provide for better continuity. We ask for all general fund teachers to be broken out into the following categories in order to properly account for categories of instructional personnel. As instructional staff teaching core classes are eligible for CSR funding, only licensed regular education instructors can be counted. Please only report expenses for the grades covered by the program implemented by your district.

Per NRS 388.700 "only instruction staff teaching core classes may be eligible to qualify for CSR funding. Teachers of art, music, physical education or special education, teachers who teach one or two specific subject areas to more than one classroom of pupils, and counselors, librarians, administrators, deans and specialists cannot be counted for the purposes of class-size reduction."
