All employees are expected to adhere to this policy. The exercise of rights protected by applicable federal and state laws such as: filing complaints, participating in investigations, and related administrative proceedings, and lawfully opposing unlawful practices is protected activity for which harassment, intimidation, threats, coercion or discrimination will not be tolerated.

The District and the Association agree that they will comply with the requirements of this provisions and will not discriminate against any individual on the basis of their protected status, as set out above. - 5.3 Structure

- 5.5.2 The written grievance must first be presented to the affected Teacher's appropriate supervisor or his/her designee, except as noted in Section 5.4., above.
- 5.5.3 The above condition(s) does not prevent the party in interest from first discussing the issue with his/her immediate supervisor with the object of resolving the issue informally. See section 5.4.1., above.

- 7.15 Members of the bargaining unit will follow all written and verbal directives, even if such directives are allegedly in conflict with the provisions of this Agreement. Compliance with such directives will not in any way prejudice the employee's right to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the grievance. The single exception to the above is a situation where the health or safety of persons involved may be adversely affected.
- 7.16 Notification of Complaints

Except for criminal or welfare investigations, no formal action shall be taken upon any complaint directed toward a teacher, nor shall any notice thereof be included in said teacher's personnel file unless such matter has been reported in writing to the teacher within eight (8) school days of said complaint. If a Teacher requests a copy of a complaint, the District may supply the Teacher with a redacted copy of the complaint so as to ensure that the identity of the co-worker remains confidential.

If a complaint is relied on by the District to support disciplinary action, the identity of the complainant will be revealed if the complaint is requested during the grievance process.

- 7.18 Lander County School District will not direct any employee to perform a duty that violates a health and/or safety guideline established by the Nevada State Occupational Safety and Health Administration (OSHA) or the provisions of NRS Chapter 392.

Article VIII - Professional Behavior and Progressive Discipline

8.1 The Association recognizes that abuses of sick leave or other leaves, chronic tardiness, or absence, willful deficiencies in professional performance, or other violations of statute, policy, or guidelines applicable to staff performance and/or conduct by a Teacher reflect adversely upon the teaching profession and create undesirable conditions in the school system. Such conduct may be subject to disciplinary action, at the discretion of the District, up to and including termination. The severity of disciplinary action will be based on the severity of the misconduct. The District will apply progressive discipline in accordance with the progressive discipline guidelines set out in Article 8.2.

8.2 Progressive Discipline Process:

8.2.1 Progressive disciplinary action is designed to provide a fair and structured way for employees to improve their job performances and/or behaviors which do not meet the standards or demands of their positions, and to provide a system for fair and equitable treatment of all employees.

8.2.1 The District will, through a progressive discipline system, give employees the opportunity to improve their job performances and/or behaviors which do not meet the standards or demands of their positions. The goal of the corrective discipline system is to correct or improve unsatisfactory performance/behavior and the measures utilized will be commensurate with the deficiency or behavior being corrected. The District will use its Educator Behavior Assistance Plan (EBAP) document to structure behavioral and conduct based disciplinary responses and admonitions, where appropriate. For instructional issues, the District will use the state NEPF Employee Assistance Plan form (EAP), whichever document applies to the situation.

The District, at its discretion, may issue discipline at any level of the framework set out in this provision, in response to the severity of the performance and/or behavioral matter at issue, as set out in the EBAP or EAP, whichever document applies in the situation.

8.2.2 If disciplinary action is deemed necessary, the District will follow the steps of progressive discipline set out below, unless, at its determination, heightened disciplinary action is warranted:

8.2.2.1 Verbal Warning:

A verbal warning is given to the employee for the first occurrence of a minor offense. A verbal warning is administered by the employee's immediate supervisor. Written documentation of the verbal warning will be recorded on an EBAP / EAP, and placed in the employee's file for one calendar year from the date of the warning. After one-year

documentation for the verbal warning will be removed from the employee's file.

8.2.2.2 Written Reprimand:

A written reprimand is given to the employee in the first instance of more serious offenses or after repeated instances of minor offenses. The reprimand is administered by the employee's immediate supervisor. It states the nature of the offense and specifies any future disciplinary action which will be taken against the employee if the offense is repeated within a specified time limit.

The written reprimand will be documented on an EBAP/EAP and placed in the employee's file along with a copy of the written reprimand. Once the conduct and/or behavior issue has ceased, the EBAP / EAP and written reprimand will be removed from the employee's file and destroyed three (3) years from the last occurrence of the behavior and/or conduct as indicated on the EBAP / EAP.

Where the District finds that a teacher's conduct or behavior warrants this level of disciplinary action, the District may issue a written reprimand without issuing a verbal reprimand as set out in this provision.

The employee is required to read and sign the formal reprimand and associated EBAP / EAP. He/she has the right to appeal this matter to the Superintendent, or his/her designee. Written reprimands are not subject to grievance under this Agreement.

8.2.2.3 Suspension Without Pay:

If, despite previous warnings or reprimands, an employee still fails to reach the required standards in the specified time frame, the employee may be suspended without pay. While suspended, the employee is barred from working for the period of time set out in his/her suspension, and his/her salary is reduced accordingly.

Alternatively, where the District finds that a teacher's conduct or behavior warrants this level of disciplinary action, the District may issue a suspension without engaging in the lesser levels of disciplinary action set out in this provision.

The length of a suspension-without-pay may range from one (1) to sixteen (16) days. The employee is required to read and sign the formal disciplinary decision and EBAP/EAP.

8.2.2.4 Termination:

After sixteen (16) days of suspension during one school year, a decision to terminate employment may be made.

Alternatively, where the District finds that a teacher's conduct or behavior warrants this level of disciplinary action, the District may terminate a teacher's employment without engaging in the lesser levels of disciplinary action set out in this provision.

The employee is required to sign the disciplinary decision, EBAP/EAP, and formal termination documents and has the right to grievance regarding the disciplinary decision.

- 8.2.3 Signatures on disciplinary documents indicate the employee has received a copy of the document and does not indicate they agree.

The LCCTA President will be notified of any such reduction and LCCTA will be given opportunity to confer and consult with the District prior to any such reduction.

- 10.2 Any RIF implemented by the District will be conducted in accordance with NRS 288.151.

- 10.3 Procedures for RIF of Post-Probationary Teachers:

In the event that further staff reduction is necessary and a teacher's seniority as defined by NRS 288.151 becomes a factor in the District's decision determining the order in which remaining teaching staff will be reduced. The Board will determine seniority based on

the number of years of service commencing with the first day of the semester in which a teacher begins working for Lander County School District. Teacher(s) commencing work after the beginning of the semester shall be credited with proportionally less seniority, as determined by the actual date the Teacher(s) began work subsequent to the beginning of the semester.

In the event two or more Teachers have the same semester seniority, Teacher(s) commencing work after the beginning of the semester shall be credited with proportionately less seniority, as determined by the actual date the Teacher(s) began work subsequent to the beginning of the semester.

each employee on lay-off status and the Association. Any teaching vacancy not filled by transfer/reassignment will be offered to those employees on lay-off status in reverse order of lay-off (i.e., the most senior laid-off employee, first recalled), provided he/she holds the minimal requirements of licensing.

- 10.7 Notice of recall will be given by registered mail at the last address given to the District by the employee. A copy of the notice will also be provided the Association. Failure to accept recall in writing postmarked within ten (10) days of the postmarked notice of recall will constitute a refusal of the position offered. Persons on lay-off status should consider maintaining communications with the District office when extended out-of-town travel is undertaken.

- 10.8 Employees on lay-off status will remain on the recall list unless an employee:

10.8.1 Waives recall rights in writing;

10.8.2 Resigns;

11.1.3 Applications from currently employed Teachers will be accepted and given equal consideration to new applications for transfer or promotions into positions for which they are qualified.

11.1.4 No vacancy shall be filled until the vacancy has been posted for a period of four (4) working days, with the exception that during the summer months of June, July,

11.2.5.2 Licensed employees will be notified of these vacancies via District e-mail.

11.2.5.3 Employees seeking voluntary transfer or reassignment must complete an abbreviated application for every vacancy to which they wish to transfer or be reassigned and will be guaranteed an interview at that

school/work site. This process will be followed for all vacancies created between October and May of each school year. During the months of June and July, the employee may request a transfer by completing the abbreviated application during the four (4) day posting period outlined above and qualified candidates will be guaranteed an interview.

11.2.5.4 Should an employee be the only transfer or reassignment applicant and he/she is acceptable to the site administrator, no interview will be required, and the employee may be selected without interviewing outside applicants.

If the involuntary transfer requires the employee to move classrooms or offices outside of the regular contract day, the District will help with the move.

NOTE: When an involuntary transfer occurs, the principal and the employee will cooperatively work together to allow enough preparation time for the new assignment.

11.2.7 Involuntary Reassignment

- 11.2.7.2 Reassignment at each school site shall be the responsibility of the site administrator based on the needs of the school and students.
- 11.2.7.3 In grades Kindergarten through Six (6), should the reassignment be more than two (2) grade levels, the following criteria will be utilized when determining reassignment:
- Compatibility of the employee with respect to students, program, staff, and administration

If the Teacher does not furnish a security bond, payment of sabbatical leave salary will be made in twenty-four (24) monthly installments added to the salary received by the Teacher during the next two years following the years in which the sabbatical leave is taken. That portion of the group medical insurance premium normally paid by the District shall be continued during the sabbatical leave. Such notice shall be given as soon as the teacher becomes aware of the program change, modification, or deletion. Failure to complete the approved leave program without notice and acceptable rationale as described above rescinds the sabbatical leave, experience credit may be withheld, and any payments by the District toward salary, health insurance and retirement shall be reimbursed to the District by payroll deduction over the ensuing contract year in equal installments.
- 14.9 Failure by the teacher to return to the District following completion of the approved leave pursuant to section five (5) of this article forfeits any right to employment and any payments made to the teacher during the term of leave shall be collected by the District through the surety bond and collateral posted prior to going on leave in an amount not to exceed payments made by the District to or on behalf of the teacher.
