Article V - Grievance Procedure

5.1 Definitions

- 5.1.1 A "grievance" is defined as any dispute which arises regarding the interpretation, application, or alleged violation of any of the provisions of the Agreement.
- 5.1.2 The "grievant" is a Teacher, a group of Teachers, or the Association, asserting a grievance.
- 5.1.3 A "party of interest" is any person or persons, with reference to his/her contract, who takes action or against whom action is taken in order to resolve the complaint.
- 5.1.4 The term "day" when used in this article is defined as a working school day. When a grievance is submitted on or after June 1, time limits shall consist of all weekdays, so that the matter may be resolved before the close of the school term or as soon as possible thereafter.

5.2 Purpose

- 5.2.1 The purpose of this article is to provide a clearly outlined procedure whereby Teachers may secure a full hearing and resolution of their grievance under this Agreement.

5.3 Structure

- 5.3.1 If in the judgment of the Association, a grievance affects a group of Teachers or the Association, the Association may initiate and submit each grievance in writing to the Superintendent directly, and the processing of such grievance will be commenced at Level II. The Association may process such a grievance through all levels of the procedure, even though there is no individual grievant who wishes to do so. Grievances involving more than one supervisor and grievances involving the administration above the building level may be filed by the Association at Level II.

- 5.3.2 In matters dealing with alleged violation of Association rights, the grievance shall be initiated at Level II.

5.4 Informal Discussion

- 5.4.1 Both parties encourage employees covered by this Agreement to resolve their problems with their immediate supervisors whenever possible. The provisions of this article are not intended to preclude a Teacher with a potential grievance from informally discussing the problem with their immediate supervisor prior to filing a formal grievance although such discussions are not a part of the formal grievance procedure.
- 5.4.2 If a Teacher requests an informal discussion with his/her immediate supervisor concerning the subject matter of a potential grievance, such informal discussion will be held as soon as reasonably possible. The teacher may request the presence of an Association Representative.
- 5.4.3 It is understood and agreed that all aspects of such informal discussions, if any, which take place shall have no bearing or precedential effect on their solution of that grievance or any similar grievance filed in accordance with this article.
- 5.4.4 Both parties may agree to extend the time lines of subparagraph 5.1., below, in order to pursue a possible solution to a pending problem at the informal level. If a time line extension has been initiated, the time line countdown will begin again when either party notifies the other that the informal process is over. This will be done in writing and will include the number of days counted as of the date of the agreement to extend the time line.

5.5 Procedure - Level One

- 5.5.1 A grievance as defined, must be filed in writing and signed by the grievant, alleging which terms or provisions of this Agreement under which the dispute arose, and must be filed not later than twenty (20) days after the Teacher or the Association first knew (or should have known) of the act or condition upon which the grievance is based.
- 5.5.2 The written grievance must first be presented to the affected Teacher's appropriate supervisor or his designee, except as noted in 5.4., above.
- 5.5.3 The above condition(s) does not prevent the party in interest from first discussing the issue with his/her immediate supervisor with the object of resolving the issue informally. See section 5.4.1., above.
- 5.5.4 Within ten (10) school days after receipt of a grievance, the appropriate supervisor or his/her designee, shall meet with the affected Teacher for the purpose of discussing the merits of the grievance involved.
- 5.5.5 The immediate supervisor shall within ten (10) days render his/her decision and the reasons in writing to the Teacher and his/her representative if any.

5.6 Level Two – Superintendent (or his/her designee) of Schools

- 5.6.1 In the event the grievance is not resolved at Level One, the affected Teacher may submit the unresolved written grievance to the Superintendent or his/her designee no later than ten (10) days after receiving the written reply from his/her immediate supervisor.
- 5.6.2 If the grievance is not filed with the time limit (ten days), the grievance is withdrawn.
- 5.6.3 The Superintendent or his/her designee shall meet with the affected Teacher and/or a representative of the Teacher's own choosing within the ten (10) days after receiving the grievance.
- 5.6.4 The Superintendent or his/her designee shall forward to the affected Teacher and his/her representative, if any, within ten (10) days after the meeting referred to in subparagraph 6.3., above, a written response to the grievance.

5.7 Level Three - Mediation

If the aggrieved party is not satisfied with the disposition of the Grievance in Step 2, Superintendent Level, then the parties may mutually agree to present the Grievance to Mediation within ten (10) workdays after the Superintendent's response to Level 2.

Procedure for Grievance Mediation:

- 5.7.1 The Superintendent must respond to a Grievance request for Mediation within five (5) workdays.
- 5.7.2 A Mediator will be obtained from the Federal Mediation and Conciliation Service.
- 5.7.3 The Mediator shall confer with the Superintendent or his Designee and the Association, and hold a hearing promptly. If the meeting is unable to be held within 20 days, the Organization has the option of moving the Grievance to the next level.
- 5.7.4 Nothing said or done by the parties during the mediation hearing can be used against them during the arbitration proceedings.
- 5.7.5 If no solution is reached to the satisfaction of both parties, the Grievance and all information in Levels 1 and 2 shall be submitted to the next level.

5.8 Level Four - Arbitration

- 5.8.1 In the event a grievance is not settled at Level Two, the Association or the individual Teacher, if such individual Teacher is asserting his/her right under NRS 288.140(2), not later than ten (10) days after receipt of the written reply from the Superintendent may request arbitration in accordance with the provision set forth below. A request for arbitration shall be made by delivery to the Superintendent or his/her designee of a written notice of intent to arbitrate, provided that in the event

such action is being taken by a Teacher acting as an individual, a copy of such request shall be delivered at the same time to the Association.

- 5.8.1.1 If both the District and Association agree to Expedited Arbitration in writing within five (5) calendar days of any request for arbitration pursuant to this Article, the arbitration may be held under the Expedited Labor Arbitration Rules of the American Arbitration Association.
- Within ten (10) days after such written notice of submission to arbitration and written agreement to expedited arbitration, the District and the Association will agree to an arbitrator from a requested list of seven (7) arbitrators provided by the American Arbitration Association. Each party shall alternatively strike names from the list, and the name remaining shall be the arbitrator. In striking names, the Association shall strike first.
- 5.8.2 Within five (5) days after written notice of submission to arbitration, the Superintendent and the Association or the individual Teacher as provided for in the preceding section shall request a list of seven (7) arbitrators from the American Arbitration Association or the Federal Mediation and Conciliation Service by either party. Within ten (10) days after receipt of the list from AAA or FMCS, the parties shall select an arbitrator from the list by alternatively striking one name until the name of one arbitrator remains who shall be the one to hear the dispute in question. In striking names, the Association shall strike first. The parties have a mutual obligation to promptly acknowledge and provide notice of receipt of correspondence from AAA or FMCS and/or the arbitrator.
- 5.8.3 The arbitrator shall promptly schedule a hearing on the matter complained of, at which time each of the parties in interest may present evidence, examine and cross-examine witnesses, and submit legal arguments in support of their respective contentions. In the event of a Teacher acting as an individual, the Association shall be entitled to be present at the hearing and to submit written arguments if the Association contends that the Association's rights under NRS 288.033(2) or NRS 288.140(2) are involved. The arbitrator may make such further inquiry investigation as he or she deems necessary and, unless extended by mutual agreement, shall issue his/her report within thirty (30) days from the final hearing day or submission of briefs, whichever is later.
- 5.8.4 Unless such rules are in conflict with this Agreement or any provision of NRS 288, the arbitrator and the arbitration proceedings shall be governed by the labor arbitration rules of the American Arbitration Association or the Federal Mediation and Conciliation Service, whichever entity's arbitrator list has been utilized in the selection of the arbitrator.
- 5.8.5 All hearings held by the arbitrator shall be closed sessions, and no news releases shall be made concerning the progress of the hearings. The arbitrator's decision shall be submitted in writing to the aggrieved, the Board of School Trustees, and the Association only and shall set forth his/her findings of fact, reasoning and decisions on the issues submitted. The arbitrator's decision shall be final and

binding on all parties to this Agreement and shall be in accordance with the terms and conditions of this Agreement. The arbitrator shall not have the authority to alter or amend in any way the provisions of this Agreement.

- 5.8.6 The expenses of arbitration shall be shared equally by the School District and the Association and/or the individual Teachers involved.

5.9 Release Time

Any investigation or processing of any grievance shall be scheduled outside of the teacher's work day without pay.

5.10 Miscellaneous

- 5.10.1 Any party of interest may be represented at any level of the formal grievance procedure by a person or persons of his or her own choosing.
- 5.10.2 No reprisals of any kind shall be taken by either party against any party in interest, any school representative or any other representative, or any participant in the grievance procedure by reason of such participation.
- 5.10.3 No written or printed matter dealing with the processing of a grievance will be placed in the grievant or any other interested participant's permanent personnel file while the processing is in progress. Except as provided above, probationary teachers shall be reduced by using the following procedure:

- 10.2.1 Teachers in their first year of probation shall be considered for reduction first, based on District seniority as defined in Article 10.4;

10.2.2 Teachers in their second year of probation shall be considered for reduction, based on District seniority, after all first-year probationary teachers have been reduced;

10.2.3 Teachers in their third year of probation shall be considered for reduction, based on District seniority, after all second-year teachers have been reduced.

10.3 Procedures for RIF of Post-Probationary Teachers: In the event that further staff reduction that will include post-probationary teachers is necessary then, after considering the Districts unique educational or instructional needs, seniority as defined in Article 10.4 shall determine the order in which remaining teaching staff will be reduced. However, no teacher qualified to teach a particular assignment or grade level as evidenced by a current valid certificate by the Nevada State Board of Education shall be replaced by another teacher not qualified for such assignment.

If the Board of Trustees of a school district determines that a reduction in the existing workforce of the licensed educational personnel in the school district is necessary, the decision to lay off a teacher must not be based solely on the seniority of the teacher and may include without limitation, a consideration of the following factors:

1. Whether the teacher or administrator is employed in a position which is hard to fill;
2. Whether the teacher or administrator has received a national board certification;
3. The performance evaluations of the teacher or administrator;
4. The disciplinary record of the teacher or administrator within the school district;
5. The criminal record of the teacher or administrator, if any;
6. The type of licensure held by the teacher or administrator; and
7. The type of degree attained by the teacher or administrator and whether the degree is in a subject area that is related to his or her position.

10.4 Seniority shall mean the number of years of service commencing with the first day of the semester in which a teacher begins working for Lander County School District. Teacher(s) commencing work after the beginning of the semester shall be credited with proportionally less seniority, as determined by the actual date the Teacher(s) began work subsequent to the beginning of the semester.

In the event two or more Teachers have the same semester seniority, Teacher(s) commencing work after the beginning of the semester shall be credited with proportionately less seniority, as determined by the actual date the Teacher(s) began work subsequent to the beginning of the semester.

10.5 In the event that two or more Teachers have the same seniority, the following determination of seniority will take place:

- 10.5.1 Date of Hire;
- 10.5.2 Date the Letter of Intent or Teaching Contract was signed;

10.5.3 Date of Application to the District;

10.5.4 Draw Lots.

- 10.6 Service rendered beyond the normal 187-day school year (i.e., summer teaching, etc.) shall not add to the Teacher's seniority.
- 10.7 Any resignation or termination of employment shall constitute a "break" in seniority. For the purpose of staff reduction, seniority shall be computed from the first working day subsequent to the most recent break in service, if any.
- 10.8 A leave of absence without pay in excess of four consecutive calendar months shall reduce the Teacher's seniority by the amount of such leave in excess of the four months.
- 10.9 Employees may be on lay-off status for up to three years. The District will maintain a list of those employees on lay-off status. A copy of the list and any changes will be provided to each employee on lay-off status and the Association. Any teaching vacancy not filled by transfer/reassignment will be offered to those employees on lay-off status in reverse order of lay-off (i.e., the most senior laid-off employee, first recalled), provided he/she holds the minimal requirements of licensing.
- 10.10 Notice of recall will be given by registered mail at the last address given to the District by the employee. A copy of the notice will also be provided the Association. Failure to accept recall in writing postmarked within ten (10) days of the postmarked notice of recall will constitute a refusal of the position offered. Persons on lay-off status should consider maintaining communications with the District office when extended out-of-town travel is undertaken.
- 10.11 Employees on lay-off status will remain on the recall list unless an employee:
- 10.11.1 Waives recall rights in writing;
 - 10.11.2 Resigns;
 - 10.11.3 Fails to accept recall to the position held immediately prior to lay-off.
- Upon return to employment following recall the employee will be entitled to all rights and benefits under this agreement including accumulated and unused sick leave.
- 10.12 The District will provide the Association President or designee with current seniority list not later than October 1st of each school year. Any disagreements regarding the list will be resolved under the negotiated grievance procedure. The current list will be posted on the Association's bulletin board located at each school site.

The parties agree to continue discussion and development of proposals in future bargaining sessions regarding teacher work hours related to Professional Learning Communities. June 1, 2017 MOU: Evergreen and Association Leave

In as much as the LCSD and the LCCTA desire to complete negotiations for the 2017-2020 School Years; and

In as much as the 2017 Legislature is still in session; and

In as much as there are pending Bill Drafts introduced in the 2017 Legislature, namely A.B. 121 and A.B. 271, which may affect articles contained in the CBA, namely former evergreen provisions in the CBA, Articles 19.2 and former association leave provisions in the CBA, Articles 5.9 and 14.5; and

In the event legislation affecting the former agree and/or association leave provisions is approved by the Nevada Legislature, entered and signed by the Governor during the 2017 Legislative Session, The LCSD and the LCCTA agree to re-open the CBA expressly limited to negotiating the impact and effects of this legislation on Article V-Grievance Procedure (in the previous CBA, this was Article 5.9 Release Time), Article XV-Leave Other Than Sabbatical (in the previous CBA, this was Article 14.5 Association Leave); and/or Article XIX-Term of Agreement (in the previous CBA, this was Article 19.2).

June 1, 2017 RECONFIGURATION OF 2017-2018 AND 2018-2020 SALARY SCHEDULE

In as much as the LCSD and the LCCTA desire to complete negotiations for the 2017-2020 School Years with a clear understanding of the March 15, 2017 Tentative Agreement to reconfigure the CBA 2015-2016 salary schedule; and

In as much as this reconfiguration does not alter the credit teachers earn for “years of experience” (A teacher earns 1 year of experience for each year taught.); and

The LCSD and the LCCTA recognize that a teacher on step one of the 2016-2017 salary schedule will move to step two of the 2017-2018 salary schedule. Due to the reconfiguration of the salary schedule this one-step move is equivalent to moving two steps on the 2016-2017 salary schedule. Furthermore, due to the reconfiguration of the 2018-2019 salary schedule, a teacher moving from step one of the 2017-2018 to step two of the 2018-2019 salary schedule is equivalent to moving two steps on the 2017-2018 salary schedule.
